STATEMENT

The Irish Setter Club of Wales will adhere to the latest advice from the government, Kennel Club and the venue, in all arrangements for the Show.

IMPORT INFORMATION REGARDING IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows. Each exhibitor is responsible for providing their own cage identification and should note that the original exhibit / bench number card, as provided by the show society, must not be used for this purpose. It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and **AT RISK** if left in a vehicle in high temperatures even on cloudy days considered as slightly warm.

PLEASE TAKE CARE OF YOUR DOG

If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

DEFINITIONS OF CLASSES

(The word 'dog' includes both sexes)

In the following Definitions a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by The Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials, each partner must at the time of entry be a Member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class, i.e. Sunday, 24th March, 2024. Wins in Variety Classes do not count for entry in Breed Classes, but when entering in Variety Classes, wins in both Breed and Variety classes must be counted.

A first prize does not include a Special Prize of whatever value. If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:- (1) *Withdrawal*: The dog may be withdrawn from competition subject to the conditions of Regulations 20.

(2) *Transfer*:

- (a) If a dog is ineligible for a class or classes as regards its colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct colour, sex, weight or height and in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct colour, sex, weight or height.
- (b) For an exhibit entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height or in the event of there being no Puppy, Junior or Yearling class to the Open Class for the correct colour, sex, weight or height.
- (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.
- (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at K.C. licensed events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle.
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.
WARNING: IF YOUR DOG IS FOUND TO BE A RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Breach of Royal Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Royal Kennel Club Limited Rules and Regulations. Right to refuse Entries: Exhibitors / Competitors are reminded that show societies have the right under Royal Kennel Club Regulations to refuse any entries.

HEALTH AND SAFETY

Mr. G. Hart is the nominated Safety Officer, who will be in attendance throughout the show. Exhibitors and Spectators are reminded that just as the Irish Setter Club of Wales has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid all uneven surfaces, guy ropes and other hazards, which are an inevitable and integral element of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk, if conditions are not ideal or unsafe, they may withdraw their dog/s from classes.

ELECTRICAL EQUIPMENT

All electrical equipment **MUST** be PAT tested with an up-to-date certificate. Any exhibitor wishing to use an electrical appliance, i.e. hair dryer, must seek the permission of the building's landlord and **MUST** produce a current PAT label attached to the appliance, to the Show Manager, otherwise the equipment will be removed by members of the committee and returned at the end of the show.
