# WEIGHING OF MINIATURE DACHSHUNDS

## Health and Welfare Statement

Miniature Dachshunds will be weighed at all of the Dachshund Club of Wales shows. The Weighing Scales used for Min. Dachshund will be Calibrated and Certificated, (The desired maximum weight of Miniature Dachshunds is 11 lbs. The Committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at the Dachshund Club of Wales events is of the highest importance.

The Animal Welfare Act became law on 6<sup>th</sup> April 2007. The focus is now on the responsibility of the owner, as seen in the "Duty of Care". Those who own a dog are legally responsible for its welfare, otherwise they may be seen to be committing a "Welfare Offence".

The Committee may take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired maximum weight requirement for Miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by judges.

---

The Committee express their gratitude to **ROYAL CANIN** for their sponsorship of this show.

Wins in Variety classes do not count for entry in Breed classes, but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

[b] For an exhibit entered incorrectly in a Minor Puppy class or Puppy class, which is over age but under twelve calendar months of age or eighteen calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class or the Junior class respectively of the correct colour, sex, weight or height, and in the event of there being no Puppy or Junior class to the Open class for the correct colour, sex, weight or height.

[c] For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.

14. Exhibitors must not pick up their dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. 15. All dogs resident outside the U.K. must be issued with a Kennel Club Authority to Compete number before entry to the show / event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor / competitor.
16. **DOGS IN VEHICLES ON HOT DAYS:** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- ☺ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- ☺ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- ☺ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- ☺ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- ☺ When at the show, never leave your dog in the vehicle.
- ☺ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- ☺ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed Shows within the licensed venue, and within the environs of that event, including car and caravan parks and approaches. Information about exhibitors may also be passed to any regulatory authority or Trading Standards. The making of an entry is irrevocable consent for the storage and disclosure of information in this way.

#### **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

#### **Security at shows**

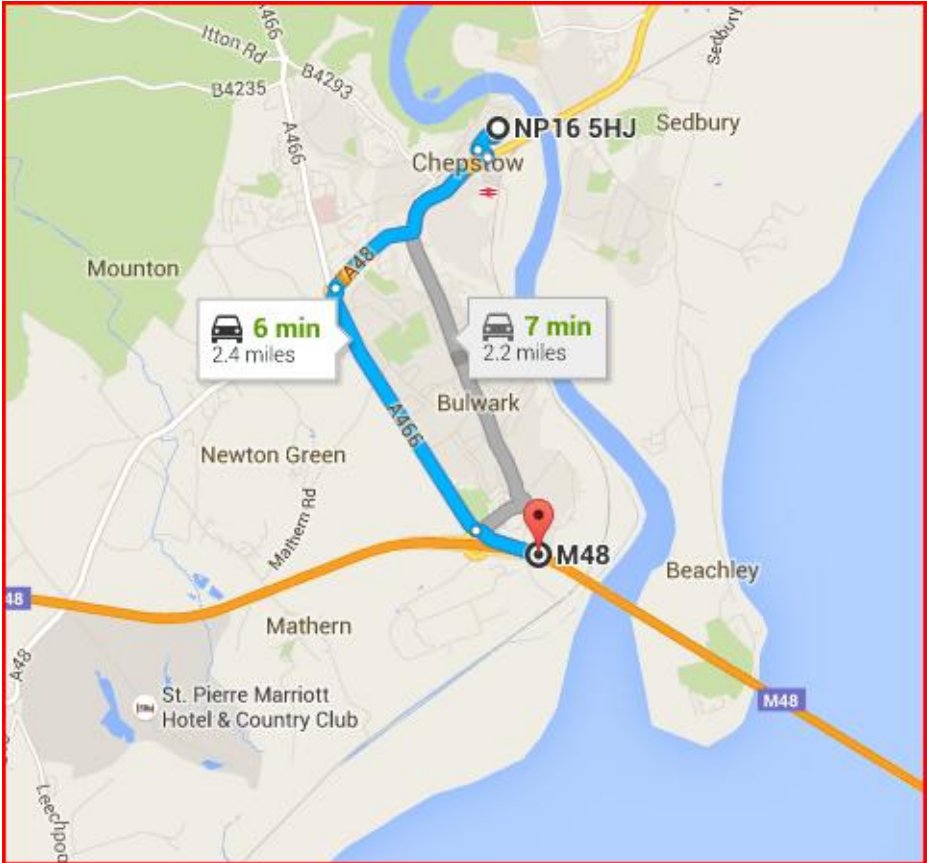

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should
