HEALTH AND SAFETY DECLARATION

Exhibitors and spectators are reminded that, just as the BHC of Wales has a responsibility to ensure health & safety of all those attending their event, exhibitors show at their own risk if conditions are not ideal and have a duty of care and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

PLEASE REMEMBER

* Exhibitors are reminded to please use the exercise area provided and not the grass verges - Thank you

* Parents are reminded that they are responsible for the actions of or any damage caused by their children within the environs of the show.

The Officers of the BHC of Wales

DO NOT exhibit at their shows.

- *If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.
- *The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- *Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air round your dog.
- *When at the show, never leave your dog in the vehicle.
- *Keep the dog in the shade – take your own shade, for example a large umbrella, and always have plenty of water available so your dog stays well hydrated.
- *Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Warning: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to refuse entries: Exhibitors/Competitors are reminded that Show Societies have the right under Kennel Club Rules to refuse any entry.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

1. These requirements must be observed when a dog is prepared for exhibition at a show. When a dog is found to have been prepared for exhibition at a show in contravention of these Regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule A42 had been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be imposed at the discretion of the General Committee under Rule A42. The dog will be automatically disqualified for exhibition at the show and from any award gained thereat.
2. No substance, which alters the natural colour, texture or body of the coat, may be used in the preparation of a dog for exhibition either before or at the show. Any other substance (other than water), which may be used in the preparation of a dog for exhibition, must not be allowed to remain in the coat of a dog at the time of exhibition.
3. No act or operation which alters the natural conformation or dog or any part thereof may be performed and nothing may be done, calculated in the opinion of the General Committee to deceive, except: -
 - a) Operations certified to the satisfaction of the General Committee
 - b) The removal of dewclaws of any breed
 - c) The shortening of tails customarily docked
 - d) Operations to prevent breeding provided such operations are notified to the Kennel Club before neutered dogs are shown.
4. The General Committee without previous notice may order the examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of the Regulations must be made in writing to the show secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

The OFFICERS and COMMITTEE

**Our Judge Pop Alexandru Raul (Romania)
(Quantas-Napoca)**

I studied at the Faculty of Veterinary Medicine from 1994 to 2000 I have been a member of the Chinological Association of Napoca since 2000 and a Basset Hound Club member since 2012. The breeding and breeding program of the kennel has been conceived in the long term, it has included numerous imports from prestigious kennels in Europe, which is meant to progressively improve the genetic and phenotypic quality of the kennel specimens.

Between 2003 and 2009, I actively involved in raising and selecting the English Bulldog breed.

My chinological activity included participation in numerous national and international exhibitions, both in the country and abroad. On a national level, the exhibition activity led to the title of "Junior Champion" for more than 60 dogs and 50 championship titles in different European countries.

At international level, I have consistently participated in the European Championships and the World Championships organized under the aegis of the "Fédération Cynologique Internationale". The results I find encouraging, including the winning of some classes and the title of European Junior Champion in 2017. In Great Britain, I have constantly participated in Crufts, an exhibition that I consider to be a reference in evolution breeds of British origin and not only.

The 2018 edition of the Crufts exhibition brought me the greatest satisfaction in terms of the exhibition results, winning four classes as well as CC and BOS respectively. Strong and consistent work has become recognized among the lovers of the Basset Hound world-wide, so Bassets from my kennel have come to the possession of important kennels all over the world.
