

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show Award that counts towards the title of Champion under the rules of any governing body recognised by The Kennel Club.

Wins at Championship Shows in Breed Classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials, each partner must, at the time of entry, be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. 22nd February 2019.

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

A dog is not eligible for entry in Variety classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:

1. A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed. 2. A dog in Any Variety Field Trial or Working Trial Class. 3. A dog in Any Variety Veteran Class. 4. A dog in Any Variety Champion Class at a Championship or Open Show. 5. A dog entered at a Limited Show. 6. As provided in Annex A to these regulations. 7. A dog which is withdrawn from exhibition in Breed classes as a result of the appointment of an emergency judge. 8. A dog in Young Kennel Club (YKC) Stakes Classes. 9. A dog in Good Citizen Dog Scheme Classes. 10. Exhibits bred by the scheduled breed judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

WITHDRAWAL The dog may be withdrawn from competition subject to the conditions of Regulations F(1)9(j) and 20.

TRANSFER (a) If a dog is ineligible for a class or classes as regards its colour, sex, weight or height, the Show Secretary shall transfer it to the equivalent class or classes for the correct colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct colour, sex, weight or height. (b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct colour, sex, weight or height, and in the event of there being no Puppy, Junior or Yearling class, to the Open class for the correct colour, sex, weight or height. (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height. (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

With the above provisos the following are the definitions of certain classes:

9. The mating of bitches within the precincts of the show is forbidden.
10. **BEST PUPPY IN SHOW** Where a Best Puppy in Show competition is scheduled, the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the show. Where the Best in Show is a puppy it should also automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **BEST IN SHOW** Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a KC Authority To Compete number before entry to the show can be made. All overseas entries without an ATC number will be returned to the exhibitor.
16. **DOGS IN VEHICLES ON HOT DAYS** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at K.C. licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Right to refuse entries. Exhibitors/competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog/s & also any grooming waste at any Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches. Adequate receptacles for the disposal of such fouling will be provided.
