18. Dogs in Vehicles on Hot Days. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts of travelling to and whilst at KC licensed events.

• When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

• If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

• The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

• Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

• When at the show, never leave your dog in the vehicle.  
• Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

• Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FOR BEING ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries will be accepted. Details of each dog to be entered must be recorded on the entry form and must be Kennel Club registered.

20. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Gimme press wherever possible.

21. The Show will be held under Kennel Club Rules and Show Regulations.

22. All dogs entered at the Show must be registered or transferred at the Kennel Club prior to the Show.

23. There will be no Veterinary Inspection upon arrival. The Hon. Veterinary Surgeon shall be empowered to exclude any dog which in their opinion is unfit for exhibition, either from disease or vice and the entry fee for such dog shall be forfeited.

24. Exhibitors must provide drinking bowls and food for their dogs.

25. Exhibitors' passes and Car Park Labels will not be sent.

26. Should any question arise not provided for in these Regulations, the decision of the Committee shall be final, subject only to appeal to the Kennel Club.

27. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Anyone failing to clear up will be reported to the Committee who may enforce the right to refuse entries from that Exhibitor for future Shows.

28. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

29. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.

30. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

## Our Judge

### Mr Scott Pearson (Daneworth)

I would like to tell you about a lifetime of growing up with dogs from an early age but this is not true, I came to have a dog for the first time not through my own choice. This decision led me to my first dog show twenty or so years ago, a first place and I was hooked. I have Great Danes and have been passed to award CC's in the breed. I have owned and showed the only UK World Winner Great Dane and although only a small kennel my wife and I have had some very reasonable success. I have not accepted this chance to judge your beautiful breed lightly; it is in fact the only breed other than Great Danes that I wish to judge. To do justice for owners you need to feel their passion and have a true understanding of their breed. I have been a member of the club for a few years now and have watched Mastini ringside at three World Shows I was also in attendance on the Cacep UK Day in 2015. I have a genuine love for the Neapolitan Mastiff and what a sight is a healthy, good mover full of breed type.

## HEALTH TESTING DAY

### BREED HEALTH TESTING

We are hosting a BRONZE level Breed Health Testing afternoon at this show. Our resident Vet will be Alistair Mitchell. BVMS, MRCVS, from Pilgrim Veterinary Surgery.

In 2012 our breed health scheme came into being, with the aim to identify repeating health problems. It is meant to be particularly helpful to newcomers to the breed as well as breeders.

As our breed is on the KC Breed Watch scheme & we are one of the high-profile ones (HP2) it can be used as a tool to accurately record the health of your dog, gaining a Bronze/Silver or Gold certificated award for each level.

The Bronze test is a non-invasive check of your dog by a vet recognised to do this testing. It covers an overall view of your dog's temperament, eyes, movement, condition, heart & Spine.

The test will last approximately 15 minutes, the vet will go over your dog & complete a form that covers the above points. The owner will keep a copy of the form, the vet will retain a copy & a further copy will be kept by our Breed Health Coordinator (BHC), who will award the certificate where a clear health check has been achieved.

To book your timed slot on the day you need to contact our BHC, Philippa Drake via email, [tmnbhc@hotmail.com](mailto:tmnbhc@hotmail.com) so that she can add you to the list. She will need your dogs KC registered Name & Number, Microchip Number & dogs Date of Birth, in order to allocate you a numbered form on the day.

There will be a cost for the test, which will be advised as soon as we know how many dogs have booked. The more dogs doing the test, the cheaper it will work out for everyone. Currently vets that practice this scheme on behalf of several different breeds charge between £55 & £65, we aim to be able to provide it at a lower cost if we get the required support.

So please book your dog in for a health test, we as a breed need to start recording correct health data on all of our dogs. It is imperative that as a breed, we provide factual evidence to the Kennel Club on an annual basis that shows the true health of the breed. Also, that we start & keep updating historical records on each dog on a database to (voluntary) assist any would be future mating's forever more.

Every dog that passes will have its details shown on our website along with the certificated level it has achieved. The KC will also update the dogs record to say it has been Health Tested.

You do NOT have to be a club member to test your dog, it is open to ALL Neapolitan Mastiffs over 1 year of age.

Exercise Area – Dogs can be exercised in the specified areas but only

on the understanding that Exhibitors / Handlers clear up

any fouling by the dogs in their charge

Bins will be provided

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively.
