DEFINITIONS OF CLASSES

N.B. In these definitions the word "dog" includes both sexes.

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club Limited. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class

i.e. **29th July 2019**

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value. A dog is not eligible for entry in Variety classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this regulation are :-

- (1) A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the Breed.
- (2) A dog in Any Variety Field Trial or Working class.
- (3) A dog in Any Variety Veteran class.
- (4) A dog in Any Variety Champion class.
- (5) As provided in Kennel Club definition of Classes.
- (6) A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options :-

- (1) **WITHDRAWAL** : The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.
- (2) **TRANSFER** :
 - (a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
 - (b) For an exhibit entered incorrectly in a Minor Puppy class or Puppy class, which is over age but under twelve calendar months of age or eighteen calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class or the Junior class respectively for the correct breed, colour, sex, weight or height, and in the event of there being no Puppy or Junior class to the Open class for the correct breed, colour, sex, weight or height.
 - (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
 - (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

JUNIOR: For dogs of six and not exceeding eighteen calendar months of age on the day of the Show.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Best Puppy in Group and subsequent Group placings must be selected from:
 - a) **Those puppies declared Best Puppy in Breed.**

Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

16. **DOGS IN VEHICLES ON HOT DAYS:** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

☺ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

☺ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

☺ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

☺ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

☺ When at the show, never leave your dog in the vehicle.

☺ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

☺ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed Shows within the licensed venue, and within the environs of that event, including car and caravan parks and approaches.
20. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches.
21. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved among other things to have been registered or recorded as having been bred by the scheduled Judge. This shall not apply to a Judge appointed in an emergency.
22. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
23. Information from Entry Forms will be stored on computer and the name, address and details of entries may be published in the catalogue, unless otherwise advised: information results may also be published and/or provided to the press for publication. Information about exhibitors may also be passed to any regulatory authority or trading standards. The making of an entry is irrevocable consent for the storage and disclosure of information in this way.
