JUDGES CV'S

DOGS - KENNETH TOOHEY

I first owned and showed a Great Dane in 1983, since then I have showed and judged several other breeds including GSD, Boxer, Irish wolfhound, Newfoundland and Bernese Mountain Dog although my first love will always be Great Danes.

I first stewarded in 1984, since which I have also taken an active role in the instruction and mentoring of stewards along with ring craft classes and judging seminars.

I first judged our breed in 1986 and awarding CC's for the first time in the breed in 2011

I have served on several committees including the Wirral Kennel Association, St Helens Canine Society, the Wigan Canine Society and of course for thirty years the Northern Great Dane Club, of which I was the Secretary from 2012 to 2018, during which time I represented the club along with my wife Joan at the Breed Council and Dane of the Year meetings. I have also worked with my wife in promoting the University Liverpool DCM project for the Great Dane since its inception in 2008.

I consider it to be a great honour to have been asked to judge at Dane of the Year.

BITCHES – PATRICK JACOBS

I have had the pleasure of living with our lovely breed for over 40 years now.

We purchased our first Great Dane from the late Ida Wheeler (Bullane), followed by a second 2 years later.

We bred our first litter and kept a very nice fawn bitch, who we were encouraged to show. We thoroughly enjoyed showing and had reasonable success with her and decided that showing was for us.

Our next show dog was a fawn male who we were lucky enough to campaign to his title of Champion in the late 80's.

Since then we have had four more Danes who have gone on to achieve their title's (a brindle male and three fawn bitches).

Our affix "Kazabbie" derives from the pet names of our first two Danes (Abbie & Kaz).

I award C.C's in Great Danes and am currently Chairman of The Great Dane Club and Treasurer of the Great Dane Breed Council.

Pat Jacobs.

REFEREE - NIGEL MARRINER

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

☉ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

☉ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

☉ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

☉ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

☉ When at the show, never leave your dog in the vehicle.

☺ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

☺ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A42.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the Show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
2. (a) No substance which alters the natural colour, texture, or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except :-
 - (a) Operations certified to the satisfaction of the General Committee.
 - (b) The removal of dewclaws of any breed.
 - (c) Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the General Committee to deceive.
4. The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by the individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

The Officers & Committee of DANE OF THE YEAR do not accept responsibility for any products advertised or sold by Stall Holders and/or Trade Stands at this Show. Exhibitors are reminded that products on sale by Stall Holders or Trade Stands for the preparation and grooming of dogs may not meet the requirements of the above regulations.

YOUR DOG IS VULNERABLE AND AT RISK IF LEFT IN A VEHICLE IN HIGH TEMPERATURES, AND EVEN ON DAYS CONSIDERED AS SLIGHTLY WARM.

PLEASE TAKE CARE OF YOUR DOG.

IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by

exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Judging at Partnership Shows

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days.

At partnership shows, a judge should not officiate at one show and enter and exhibit at the other show even if they are exhibiting a different breed on another day to that which they are to judge.
