19. Parents / Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs of the show.
21. **DOGS IN CARS ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
22. Exhibitors are requested to use the Special Exercise Area provided and to clear up after their dog(s).
23. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the canine press wherever possible.

Dogs in Cars on Hot Days Entry Form notice

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm.
Please take care of your dog.
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

SOFT CRATES The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

IDENTIFICATION ON CAGES / CRATES Exhibitors are reminded that it is their responsibility to display their exhibit / bench number on crates / cages at all times. This is a Kennel Club requirement. The original exhibit / bench number card as provided by the show society must not be used for this purpose.
