## **JUDGES CV's**

### **Dogs - Helen Laidlaw (Kantalar)**

I welcomed my first Great Dane Talula into my life in 1989.

Talula, was bred by Liz and Gordon Davies, who now run Great Dane Care in Wales and do an amazing job rescuing and rehoming Great Danes.

I have been showing since 1990 with some success, having qualified one of my pups for POTY and his sister qualified for The Kennel Club Junior Warrent finals.

My last two home bred litter brother and sister both gained their crowns.

This will be my third time of awarding CC's in the UK and have been honoured

To have judged The Danish Great Dane Club 90th Anniversary Show last year.

I am Secretary of The Great Dane Club and a Member of The Kennel Club.

Thank you to The Great Dane Club of Wales for inviting me to judge Dogs at

Their Championship Show this year, which I am very much looking forward to.

### **Bitches – Judith Greig (Turlum)**

I owned my first Dane in 1983 and showed a little for a few years. I was then fortunate to get a bitch out of the lovely Ch Drumview Trade Secret. This was Ch Drumview Maid to Measure who gained her first CC at 7 months. She went on to produce 8 CC winners, among them the previous breed record holder Ch Turlum True to Form. Her progeny won a total of 85 CCs, with three group winners and a Top Sire, and her descendants have been the Top Dane for over a 10 year period. She was Top Brood Bitch all breeds for 3 years. True to Form was a joy to own and show and, amongst her other wins, she did "the double" with 4 different brothers including Crufts, as well as producing a champion daughter and granddaughter for me. I was very fortunate to have these successes from the 8 litters I bred in over 30 years. I was a committee member of the Scottish Great Dane Club for many years, almost 20 of them as chairman and now retain my interest as vice-president. I awarded my first set of CCs in 2005 and although I have now down-sized to an Italian Spinone my interest and heart still lie with the Dane.

## **PLEASE NOTE**

### **SPECIAL AWARDS EVENTS**

The Kennel Club have given us permission to schedule

3 Mixed Sex Special Award Classes, at our Championship Show which are Puppy, Post Graduate and Open Classes. **THIS IS TO ENABLE THE JUDGE TO GO OVER A NUMBER OF GREAT DANES.** The classes / dogs judged can then be added to the judges CV. The entry fee is reduced to encourage entries.

The Special Award Classes are judged as an entirely separate entry from the main show. Should your dog/bitch be beaten in the Special Award Classes, IT IS **NOT CLASSED AS A BEATEN DOG/BITCH AND IS NOT DISQUALIFIED** FROM CHALLENGING IN THE MAIN SHOW

Please support these classes which will be held in the lunch break and are designed to give judges a chance to handle a good mix of Great Danes. And after all it only costs £1 per class and you have nothing to lose.

**Special Awards Judge: Victoria Patterson**

14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
16. DOGS IN VEHICLES ON HOT DAYS: Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

☺ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

☺ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

☺ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

- ☺ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- ☺ When at the show, never leave your dog in the vehicle.
- ☺ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- ☺ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered 20. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches.
21. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

## **THE GREAT DANE BREED COUNCIL**

It has been brought to the Council's attention that the temperament in Great Danes is deteriorating. Therefore this notification will be in Schedules and Catalogues. It is intended as a guide to both Judges and Exhibitors.

### **Issued by and on behalf of The Great Dane Breed Council**

#### **KC Rule 15 - EXCLUSION OF DOGS:**

If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition, or any other cause, the dog may be excluded or removed from the Show on the instruction of the Show management. Once excluded or removed from the Show the dog must not be brought into the Show at any time under any circumstances and the case must be reported in full to the Kennel Club within 7 days.

Judges may send the dog out if the dog appears to have an aggressive disposition.

### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

### Judging at partnership shows

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A42.

4. The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by the individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
