Kennel Club Regulations F12 – Dog Fouling & Grooming Waste

- A Any owner, Exhibitor or handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Ltd. licensed venue and within the environs of that event including car and caravan parks and approaches.
- B. The Chalking, Powdering or Spraying (with the exception of water) of exhibits within the precincts of the Show is forbidden.

SOFT CRATES

The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

CLASSIFICATION

All Classes are for both Dogs and Bitches unless otherwise stated.

DEFINITIONS OF CLASSES

N.B. In these definitions the word "dog" includes both sexes.

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Member's classes or competing for Member's Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e.

Wins in Variety classes do not count for entry in breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

For an exhibit entered incorrectly in a Minor Puppy Class, Puppy class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height, and in the event of there being no Puppy, Junior or Yearling Class to the Open class for the correct breed, colour, sex, weight or height.

 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
 14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. DOGS IN VEHICLES ON HOT DAYS: Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

☺ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

☺ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

☺ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

☺ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

☺ When at the show, never leave your dog in the vehicle.

☺ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

☺ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not For Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be kennel club registered
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events The Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A42.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the Show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
2. (a) No substance which alters the natural colour, texture, or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except :-
 - (a) Operations certified to the satisfaction of the General Committee.
 - (b) The removal of dewclaws of any breed.
 - (c) Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the General Committee to deceive.
4. The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by the individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

The Officers & Committee of Amman Valley Canine Society do not accept responsibility for any products advertised or sold by Stall Holders and/or Trade Stands at this Show. Exhibitors are reminded that products on sale by Stall Holders or Trade Stands for the preparation and grooming of dogs may not meet the requirements of the above regulations.
